PROFESSIONAL EXPERIENCE

Jiraneck Company, P.A., Towson, Maryland, March 2009-present
Attorney

Jiraneck Company, P.A., is a commercial law firm that focuses on real estate, business and finance matters. I have worked on tax sale matters, developed contracts for internet hosting and web development services, and authored pleadings and supporting papers in a number of business, transactional, and commercial litigation matters.

Faith At Law, LLC, Baltimore, Maryland, January 2009-present
Attorney

I am a solo attorney in private practice, focusing on transactional matters, including the drafting and negotiation of technology contracts, the drafting of requests for proposals for information system projects, and advising business clients on corporate, organizational, and incorporation matters. I successfully argued an appeal of a interlocutory order before the Court of Special Appeals in 2009. I also regularly speak on technology law issues, including Maryland e-discovery in litigation, business incorporation, and copyright.

Chase Brexton Health Services, Inc., Baltimore, Maryland, 1998-2009
Information Technology Director

Promoted to director in 2005. Managed an information technology staff of eight. Responsible for negotiating technology purchase contracts with system manufacturers, developers, and implementers. Oversaw all major computer systems, including planning, implementation, application development, expansion, support, training, extensive analytical reporting, disaster recovery, HIPAA security rules compliance, wide area networking, and equipment replacement at end of life cycle.

Promoted to Decision Support Manager in 2002. Managed three analysts. Handled database administration, implementation of several major information systems, including an electronic health record, and developed complex reports and software applications for reporting.

(p) (410) 963-5269 (e) tfaith75@gmail.com

Promoted to Program Analyst in 1999. Developed numerous operational and fiscal reports for organization, and led practice management system implementation.

Hired in 1998 as Assistant to Executive Director.

2WG Multimedia LLC, Baltimore, Maryland, 2000-present

Managing Member

Formed LLC with business partner in 2000. Handle day-to-day business management and finances. Design, host, and implement web sites. Consult on technology issues including networking, database design, vendor selection, and analytical reporting (financial and operational).

University of Baltimore School of Law, Baltimore, Maryland, August 2007-May 2008

Research Assistant

Worked with Professor Elizabeth Samuels on a research project involving eleventh amendment sovereign immunity, the writings and opinions of Justice John Harlan on the subject, and the historical context of these Supreme Court decisions from 1870-1910.

PRESENTATIONS, PAPERS, AND LEGAL WRITINGS

Ohana v. Ohana, No. 02294 (2010) (unreported opinion). Successfully argued before the Court of Special Appeals that an interlocutory order in a marital property dispute should be vacated on the grounds that it unlawfully extended the use and possession period beyond the statutory maximum of three years.

Copyright, Fair Use, and Contracting for Artists. Presentation to seniors at Notre Dame in Baltimore, Maryland, April, 2009

Trademark Infringement: *Starbucks v. Wolfe Coffee*. Case note published in MSBA IP Section Second Annual Update on Intellectual Property Law, 2009.

Additional Papers and Presentations Available Upon Request.

COMPUTER SKILLS

Experienced application developer using php, Visual Basic for Applications, Structured Query Language, T-SQL, coldfusion, and HTML. Advanced knowledge of Microsoft applications and server and workstation operating systems, VMWare ESX, Lefthand SAN (iSCSI), MS SQL Server, Oracle, and TCP/IP networking.
